

First-Time Homebuyer Program for Ohio Heroes

Ohio Heroes work hard in critical jobs every day to make a difference to our lives. The Ohio Housing Finance Agency (OHFA) is proud to offer a 30-year fixed-rate mortgage to full-time employees in the following professions:

- Active Military/Reserve
- Emergency Medical Technicians
- Firefighters
- Healthcare Workers
- Military Veterans
- Paramedics
- Police Officers
- Teachers

Loans through the Ohio Heroes Program will be at an interest rate that is a quarter percent below OHFA's First-Time Homebuyer Program rates. The borrowers must meet OHFA's standard mortgage guidelines regarding sales price and household income to take advantage of the competitive mortgage rates through conventional loans or FHA, VA and USDA-RD government loans.
