The HOME program does not allow the PHA utility allowance (UA) to be utilized when determining gross rent for HOME units established after August 23, 2013. If a Housing Choice Voucher (HCV) holder is also a HOME unit, the owner must use an OHFA approved UA for HOME while the PHA utility allowance may be used for LIHTC units. This page shows the unit's HOME rent compliance (OHFA approved UA, tenant paid rent, non-optional charges and Housing Choice Voucher (HCV) assistance amount).

The amounts noted below demonstrate the unit is in compliance with both the LIHTC and HOME rent requirements.
