

HOME Investment Partnerships American Rescue Plan Program (HOME/HOME-ARP)

National Housing Trust Fund (NHTF)

HUD requires Participating Jurisdictions (PJ's) to review and approve rents annually for all multi-family HOME, HOME-ARP, and NHTF assisted projects during their affordability period. To comply with 24 CFR 92.252, 24 CFR 92.251, and 24 CFR 93.302 (c) (2), HOME, HOME-ARP, and/or NHTF funded projects must submit this completed form, a copy of the newly published HOME or NHTF Rent and Income Limits, a copy of last year's approval letter, a copy of the minimum 60 day written notice to tenants, a copy of the current utility allowance (UA) form within 30 days of the effective date of the HOME and NHTF Rent Limits each year. Check that all items are included with this form below. You may submit this information by emailing it to: HOMERA@ohiohome.org.

Note: HOME-ARP units restricted for occupancy by a Qualifying Population (QP) cannot exceed 50% AMI rent (i.e., Low HOME rents). A unit that receives project-based rental assistance and is occupied by a QP that pays no more than 30% of its adjusted income in rent may charge the rent allowable under the subsidy project. Rent for a Non-QP HOME-ARP unit must comply with 24 C.F.R. §92.252(a), which is the requirement of High HOME: the rent must be the lower of a rent equal to 30% of the adjusted household income with annual income at 65% AMI, or the Fair-Market Rent (FMR).
