RE: Local Development Priority Letter

I/We understand that under the 2015 Qualified Allocation Plan, OHFA will award five points to proposed developments that receive a priority designation from the Mayor or City Manager.

The following entities must sign the Local Development Priority Letter:

1. For Council/Manager forms of local government: the City Manager
2. For Mayor/Council forms of local government: the Mayor

Priority letters that are signed by the incorrect chief administrative officer will not receive any priority points.

The cities of Cincinnati, Cleveland, and Columbus may select up to three (3) priority designations. The cities of Akron, Dayton, and Toledo may select up to two (2) priority designations. Cities may also choose up to two alternates in the case that a priority project is removed from consideration during the competitive round.
